

HIPAA Checkbox

The HIPAA checkbox is located under the Patient Information area of the Patient Address View window and is only a visual indicator that the patient has seen and signed your HIPAA compliance form.

The screenshot shows a 'Patient Information' form with the following fields:

- ID: 0000000164 (with a 'By ID' button)
- Last Name: Pan
- First Name: Peter
- Address 1: 18266 Never Ever Land
- Address 2: (empty)
- City: Wonderland
- Zip/Postal: 90218- (with 'Initials' P PA)
- Birth Date: 4/27/1982 (with 'Age' 26)
- Marital Stat: Other (with 'Sex' M)
- Flag: Prefers early appointm (with a red-bordered checkbox for 'HIPAA')

If the Active Patient signed your HIPAA form, place a check mark in the HIPAA checkbox and click Save. You must click Save to save any changes to the HIPAA checkbox.

This checkbox is not linked to any other portion of the program.
